

## 2026 Gemmer Muzzle Loading Gun Club Match and Event Schedule

### **General Information:**

- All matches are subject to change by the range officer. You will be notified in case of any emergencies.
- The best nine “Club” matches count toward the aggregate.
- You must select one age class and shoot that class the entire year to qualify for that aggregate award.
- Trophies, plaques, prizes, and medals are awarded at the Annual Meeting.
- There will be a one-shot, 50/50 card game of chance at every “Club” match. (This is optional.) You will need a off-hand rifle. Cost is \$5. 50% of the proceeds fund the members' memorial.
- Refreshments will again be available for a donation.
- Age-appropriate aggregate club matches are shot at the same time as the first Sunday club matches.
- There is a \$15 fee for not attending at least 4 workdays, to a maximum of \$60, and a \$10 fee for not attending a minimum of 3 matches, for a maximum of \$30.
- MOHA shoots will shoot 2 targets for either 20 or 24 shots depending on match. Both targets can be put out together for relay 1 or 2. Gemmer members must mark one target as Target 1 before shooting since this target will count toward both the Gemmer match and the MOHA match.
- Anytime the range is being used for a club or public event, **the range is closed for general shooting**. The Woods Walk, Meat Shoot, Chunk Gun Shoots, Bench Matches and Archery Shoots use the range, so there will be no open or general shooting while these events are underway. If you have questions about the exact hours the range will be unavailable, please check with the event host.
